CONFIDENTIALITY AGREEMENT

The City and County of San Francisco, acting through its San Francisco Public Utilities Commission (CITY) agrees to furnish certain confidential information to the signatory(ies) of this Confidentiality Agreement (Recipient) pertaining to City-owned facilities as described below:

WW-745 Oceanside Water Pollution Control Plant Solids Thickening Process Upgrade (Project):

- Contract Specifications
- Contract Drawings
- Available Project Information

The release of confidential information as defined below is subject to the following mutually-agreed upon terms and conditions:

1. "Confidential Information" means security sensitive or other protected information, including all drawings and specifications and archived documents related to the Project, in any format, including but not limited to, hard copy, electronic form, and/or electronic media capturing images from the Project site, including any videos, photographs or notes derived therefrom whether provided by the CITY or taken by the potential Bidder at a site inspection, regardless of whether such information is in its original form, a copy, or a derivative product. "Derivative" means written or electronic material created from, or based on Confidential Information.
2. By accepting and using the above-described Confidential Information, Recipient agrees to hold the above-described Confidential Information in trust and strict confidence and agrees that it shall be used only for improvements to CITY facilities in connection with the Project and shall not be used for any other purpose. Recipient agrees not to use Confidential Information otherwise for its or any third party's benefit without the prior written approval of an authorized representative of the CITY.
3. For Confidential Information related to videos and photographs taken at the site, Recipient must mark the Confidential Information conspicuously, such that a viewer or listener would be reasonably likely to see or hear them when obtaining access to the contents of that record. In addition, such Confidential Information should be kept in containers that are clearly marked on the outside. If not stored in a marked container, floppy disks, CDs, DVDs, tapes and other media on which electronic Confidential Information is stored should also be marked, either directly on the media with a label attached to it. Confidential Information on thumb and/or flash drives must be password-protected or encrypted; however, the thumb and/or flash drives should not have any markings on them.
4. Recipient agrees that all Confidential Information provided to the Recipient will at all times remain the property of the CITY, which retains all rights to them.
5. To receive Confidential Information on behalf of a potential Bidder, **an individual must provide to the CITY the executed original of this Agreement.** A copy faxed or otherwise will not suffice. A business card and the Contractor/Business license number must accompany the agreement. In addition, the individual receiving the documents must provide a valid United States of America (US) State driver's license or other form of US and/or State Official picture identification card.
6. Copies, reproductions, or alterations in any form, including but not limited to paper or electronically-formatted copies, reproductions of video, photos or other images of complete and/or any portions of Confidential Information, shall not be made or retained for distribution by the Recipient to any person or entity. **Exceptions:** a) A Prime Contractor may provide sections of the Confidential Information only to internal staff with direct involvement in bid preparation or B) A Prime Contractor is allowed to provide sections of the Confidential Information to a Subcontractor and/or Supplier in order to solicit a bid/quote, but only after the Prime Contractor completes Page 3 listing Subcontractor and/or Supplier name, Contractor/Business license number, description of sections to be provided, and reason for the distribution.

The Prime Contractor assumes responsibility for the disposition of Confidential Information provided to a Subcontractor and/or Supplier.

7. At the conclusion of the Project, or at such time as the contract for the Project is awarded to an entity other than the Recipient, Recipient agrees to destroy all Confidential Information and documents referenced herein. The CITY may demand that all written notes, photographs/video/etc., sketches, models, or memoranda which were developed or derived from or reflect information obtained from the above Confidential Information be destroyed as well. The CITY also reserves the right to request at any time a Certificate of Destruction, executed under penalty of perjury, that all requested information was destroyed, as documented proof of compliance with this paragraph.
8. Recipient acknowledges that the unauthorized disclosure or improper use of Confidential Information by Recipient may cause irreparable harm to the CITY and the public. The CITY retains all of its legal rights and remedies to enforce this Agreement. Furthermore, Recipient acknowledges that the CITY is entitled to seek equitable remedies, including temporary and permanent injunctive relief, without the necessity of posting a bond or other security, to enforce this Agreement. No remedy or election under this Agreement shall be deemed exclusive but shall, whenever possible, be cumulative with all other remedies at law or in equity.

The actual amounts of damages which the CITY would suffer should Recipient breach this Confidentiality Agreement are impractical and difficult to calculate. Therefore it is agreed by Recipient that in the event of a breach of this Confidentiality Agreement by Recipient, Recipient will pay to the CITY the sum of One Hundred & Fifty Thousand Dollars (\$150,000) as liquidated damages for each breach of the obligations set forth herein. The obligations set forth above shall not apply to information which is (a) publicly known; (b) subsequently developed by the Recipient independently of any disclosures made hereunder by CITY; or (c) disclosed with CITY's prior written consent. In the event that Recipient is required by law to disclose any information contained in the Confidential Information, Recipient shall promptly notify CITY of such request so that CITY may seek a protective order or other judicial relief prior to disclosure.
